

The Point Game

Exercise Objectives:

This is a game designed to create a competitive cauldron amongst the players. Players are rewarded with points the more they win.

Coaching Pointers:

Divide your players into three teams and position them as in the diagram above. The team on the sideline will have fewer players e.g.: play 4v4 with a team of 3 on the sidelines. The game starts with 2 equal teams playing. First team to score a goal win. Each player receives a point for winning. Record everyone's point total as you play games. Losing team leaves field (all but one stays on to make 4 players) this way the team that enters is never the same exact team. Play for 20 minutes total. Player with the most points (wins) at the end of the game is the champions.

Field Preparation:

- ★ Entire group
- ★ Area 20 yards x 20 Yards
- ★ Cones or Flag poles
- ★ Small goals without goalkeepers or large goals with goalkeepers.
